# Adventures In Japanese 1: Textbook

## Synopsis

The Adventures in Japanese Level 1 Workbook is designed to complement the Adventures in Japanese Level 1 Textbook and Audio CDs. It includes Language Lab exercises based on clear but natural speed audio recordings, as well as speaking, listening, reading and writing activities. Widely adopted at junior and senior high schools across the U.S. because of its effectiveness, Adventures in Japanese is a user-friendly but comprehensive course that incorporates textbooks, student workbooks, kana workbooks and flashcards, teacher's handbooks and audio CDs for a complete and enjoyable introduction to the Japanese language. The title of the series implies fun, and the books' lively illustrations and vivid explanations make language learning enjoyable for students. Speaking, listening, reading and writing are equally stressed throughout, and Cultural Notes make important points about Japanese culture and language use. A Fun Corner--with various culturally related activities from making onigiri (riceballs) to learning Japanese songs--increases the sense of exploration and adventure, and a Japanese Culture Corner feature provides cultural topics for students to explore in depth and compare with their own culture.

## Customer Reviews

Used this textbook in highschool. It starts with romanji and works through hiragana, katakana, and eventually starts using kanji. This book is a little hard for people to use who haven't used it under the instruction of a teacher though, so I wouldn't recommend it as a first book for people trying to self-teach themselves. There's a lot of group work prompts in this book as well, so it's definitely

meant for a classroom.

Good condition, but way to expensive for a used book! After taxes and shipping cost, it was almost \$50. A lot to me.

It was exactly perfect. Very clean and no marks.
