## Customer Reviews

I wanted the book and I got the workbook. I did not see it in the details. The image was wrong. On the workbook there is "workbook" written on the cover. Because it wasn't written on the image, I assumed that I was buying the book.

The paperback version of the textbook isn't the textbook at all; it is the supplemental workbook. The image on here is wrong; on the paperback "workbook" is printed in the top left corner, and that is nowhere on the image. If you are needing the textbook, do not buy the paperback or you'll have to return it like me.

THIS LISTING IS FOR THE WORKBOOK. I was trying to buy the textbook.

Great
