Customer Reviews

this was the best minecraft tip book ever, and the most helpful to!it taught me so many different things about the minecraft world gameing that will make my minecraft experience better than ever! it had multiple differemt catagories including animals, how to turn my sheep upside-down to different kind of horses I can spawn. it also has traps like the zombie door trap to other usful things like the garbage can. best minecraft tip book ever. thank you Minecraft Kid! P.S. at one point you forgot to put the "F" in the word Shift. oh well. it is still the best. (i will admit, i had a good laugh about it though.)

I recommended this book to people that are new to mine craft and played for a long time to I rated it at 5 cause it had really good info in the book to read and fast to read and easy to read

Good book with cool tricks. Some of them really took me by surprise.Anyone that likes minecraft should read it.

This book regarding Minecraft Secrets has several very useful tips and a few very entertaining ones as well. One of my favorite entertaining tips I received was if you name an animal Dinnerbone it will be upside down! Another tip ... a little more useful is to pretty much stay clear from things that are hit with lighting .. they become monsters! Pretty neat stuff you learn from this book. It's a beneficial read!

Never disappointed in the books Minecrafter Kid puts out! A true professional. This book had secrets in it that I have never even heard of before and I have been playing this game for years! Thank you so much for all your content, and if you have never checked out one of Minecrafter Kid's book then you should!

A must buy for any Minecraft fan. I really wonder who the Author is because he always seems to have the inside drop on this game. Maybe a developer of the game? Who knows. I most definitely recommend for any Minecraft player.

Great book! Has all of the things you need to know in Minecraft that will help you survive. Highly

recommended book. This book is also a great timewaster and you also learn facts about it too. Author does a great job on this amazing Minecraft handbook. ;D

This book is the best guide about Minecraft Secrets. It will lead you in minecraft and guide you through every stage of your adventure with superb hints and tips provided by the Author. If you want to become a true master of minecraft then this is a must read for you.
