Synopsis

Your Amazing Itty Bitty IRS Audit Prevention Book

- 15 Essential Tips to Keep From Being Audited

In the eyes of the IRS, you are guilty until you prove yourself innocent. You must show that you reported all of your income. You must show that you spent the money for the allowable deductions you took on your tax return. Important things to know about the IRS

1. IRS uses a secret formula to select tax returns for audit.
2. Nobody knows what this formula is.
3. The formula scores your return compared to other returns in your industry, in your geographical area.
4. The higher the score, the higher your chance of winning the IRS audit lottery.
5. With the right planning, you CAN protect yourself.

In her ground breaking Itty Bitty Book, Enrolled Agent Nellie Williams teaches you not only how to avoid audits but what to do if you are audited. If you buy one Itty Bitty Book this year, this may be the best investment you can make in yourself.
