Many parents want to teach their children the importance of identifying and pursuing their dreams and the value of a strong faith in God. In the new book Saint Brendan and the Voyage Before Columbus (Paulist Press, December 2004, paperback, 32 pages) author Dr. Mike McGrew and illustrator Marnie Saenz Litz share the story of St. Brendan and his legendary voyage to North

America. Through lyrical prose and vivid illustrations, this book recounts the life history of Saint Brendan, the Irish monk who spread the message of Jesus Christ in his own land of Ireland and, legend states, beyond to the land of Tir-na-n-Og and to its native "painted saints", a thousand years before Columbus set sail for North America. Whether fact or fiction, Brendan's voyage has sparked the enthusiasm and adventurous spirit of many, including sailors who count him as their patron saint. The great value in providing children with the images of concrete role models is that it helps them see that they too can capture their dreams. McGrew shares Saint Brendan's story with zeal and energy, stressing the saint's reliance on God's protection and his appreciation for God's hand in the nature surrounding him and in his brother monks. Children who might not sit still for a dry recitation of the facts of a saint's life will be drawn in and inspired by this book and its message to trust in God and pursue your dreams. Aimed at children ages four through eight, the book will also be enjoyed by older adventurers and those interested in the lives of the saints.

Lesser known Saint, happy to see there was a good book on him for kids to read. Lessons to be learned in this book! Pictures were good, 3 and 4 year old loved it. Easy to read, I felt it was in depth enough about St. Brendan's life to give them a good idea of who St. Brendan was.

A beautifully illustrated book, Dr. McGrew did a wonderful job telling the story of St. Brendan in a way that is thorough, yet succinct. It is a book that both parent and child can enjoy.

I read this book to my children and they loved it. I even learned something new. I really enjoyed it.
