Love Me Forever (Sherring Cross Series)

Synopsis

A young heiress in mourning for her mother's death, Kimberly Richards has been abandoned by her lifelong fiancé. But Kimberly's father, the recently widowed Earl of Amburough, is intent upon marrying her off as quickly as possible to please the jealous lover he longs to wed. So the rather indelicate business of matchmaking begins. And Lachlan MacGregor, the dashing and newly impoverished Laird of Clan MacGregor, is deemed the worthy suitor. Kimberly, however, harbors a deep-seated dislike for Scots, gold-diggers, and the whole woeful state of affairs in general. Therefore, a tryst with the handsome, haughty Lachlan seems dubious at best. But strange turns and outrageous circumstances promise to lead the ill-matched pair to a wildly unexpected destination and to open a resisting heart to the glories of true love.

Customer Reviews

Say You Love Me, the fifth book in the beloved Malory series, is the story of Derek Malory and Kelsey Langton. Though Derek has been a minor character in the background of the series, he definitely shines in this unique Regency romance. Derek Malory, heir to the Marquis of Haverston, is following fast in the footsteps of his two rakehell uncles. Though more gentle and kindhearted in his love affairs, he is definitely a man interested in pleasure for pleasure's sake. Unlike other reviewers, I found it exhilarating to have a hero who wasn't an alpha male. Beyond popular belief, not all women are attracted to overbearing brutes and that's usually the type of hero you find in this genre. Derek Malory is a cut above the rest. Kelsey Langton, though gently bred, must sell herself in a

house of pleasure to save her family. Ignorant in the art of love, Kelsey is forced to act as mistress to the man who buys her. I was extremely impressed with Kelsey's character. She's strong, brave and self-sacrificing. In a genre full of selfish, conceited heroines Kelsey shines. I've read numerous Regency-era romances, but *Say You Love Me* is far from being a cardboard copy of the rest. The premise is interesting, the mystery intriguing and the love between Derek and Kelsey is sweet without being sugary. In fact, I found the entire book uniquely pleasurable -- I could scarcely make myself put it down. *Say You Love Me* would be an amazing story on its own, but it's even better as an addition to the Malory family saga. All of the previous characters are involved in the plot and help move the story along. As usual, their wit and charm make for an outstanding adventure. Over the last 10 years I've come to expect great things from Ms.

I enjoyed this book a lot more than the prequel, *MAN OF MY DREAMS*. Although this one is a bit on the light side compared to my other book readings, I enjoyed it nevertheless. The thing is, *LOVE ME FOREVER* has the usual plot of an impoverished hero seeking for a rich heiress to marry in order to save his clan... Since I've read many books with this familiar format, I didn't have that new excitement feelings while reading this book. In my opinion, *Love Me Forever* needs a bit more of wickedness to add sauciness to the overall story, a little bit of hard twist to add excitement and a little bit more of misunderstanding to add complexity to the relationship. However, Johanna Lindsey made it up by adding a touch of spunk & uniqueness on her well defined and utterly lovable characters. Lachlan and Kimberly are now in one of few favorite hero/heroine list of all times. They both have flaws physically which was a welcome change for me. They're both too tall for others yet perfectly fit for each other. I was also getting tired of dark, stuffy, brooding and overbearing heroes. Our Lachlan here is playful, a tease, charming and loving. He's a happy go lucky kindda guy. Mind u, he is all MANLY with a touch of arrogance but his boyish character is what drawned me more to him. There's also no denial for him, he knows what he wants and goes for it. He realized in the end that he was in love with Kimberly and accepted it so. He is direct yet perhaps a bit dense... MEN, what can I say? LOL. Now, our heroine, Kimberly is just as refreshing as Lachlan. She was not describe as overly beautiful nor was she attractively sought after like most heroine in other books. In fact, She was considered unnoticeable. She does have her own beauty though which people notices only after a time.
