Ramona Quimby, Age 8 CD

Synopsis

Ramona's job is to be nice to fussy Mrs. Kemp, who watches her while her mother works. If Mrs. Quimby didn't work, Mr. Quimby couldn't return to college. On top of all that, third grade isn't turning out as Ramona expected, even though she enjoys her class's new reading program, D.E.A.R. Danny the Yard Ape teases her, and, on one horrible day, she throws up at school. Being eight isn't easy, but it's never dull!

Book Information

Customer Reviews

This book takes the reader through the journey of Ramona Quimby your average girl. Ramona has just turned 8, which makes her big and is going to a new school. Beatrice her older sister is always having the upper hand on Ramona. Ramona's father is going back to school and the family is struggling just to make ends meet. Ramona stays in the afternoons with Howie Kemp's grandmother and Howie's little sister Wilma Jean. Wilma Jean is a thorn in Ramona's side. Ramona's mother begs her to keep the peace and be responsible so Mrs. Quimby can continue working. On Ramona's first day of school she is faced with Danny a bully who steals her eraser. Ramona gets the best of Danny and calls him Yard Ape. After this Danny respects her and Ramona kinda has a crush on him. Ramona is indifferent with her new teacher Ms. Whaley. Throughout the book Ramona is faced with problems such as being a nuisance to her teacher, "Yard Ape", her sister Beezus and her

mother and fathers tiresome struggle to pay for bills, manage a family and work and go to school. In the end of the book after a much hard day of frustration the family goes on a limb and goes to Whopperburger. While there they come across an old man who is interested in the family. Towards the end of the meal the Quimbys find out that the man has paid for their dinner, because they remind him of his family and how nice of a family the Quimbys are. This action makes the whole family realize how special their relationship is and how even though they all may be cross in some situations that they are in fact one happy family! Ramona Quimby is such a great character. A teacher could use this book to simply engage students in reading and allow them to connect with reading and the characters involved.
