Angel Medicine: How To Heal The Body And Mind With The Help Of The Angels

Synopsis

While researching her book *Angel Medicine*, Doreen Virtue uncovered methods used in the ancient healing temples of Atlantis. She began taking her audience members through a meditation so that they could experience a vicarious trip to an Atlantean healing temple. The results were so powerful that audiences began asking her to record the meditation. The *Angel Medicine* CD is a deep-clearing meditation, designed to release stored emotional pain. Working with the archangels, you will be able to cut etheric cords to painful relationships, release past-life traumas and troublesome vows of poverty or suffering, open your chakras with the help of the Atlantean crystal healing bed, and increase your desire to exercise and eat healthfully. Beautiful music by Angel Earth evokes the sounds of angelic healing. These meditations are discussed in the book *Angel Medicine*, and it is highly recommended that readers use this CD as an accompaniment to that work.

Customer Reviews

I have had this Audio CD for several years now, as well as MANY other CD's and Books by Doreen Virtue, and I appreciate everything I have by her. If there was ever anyone who could completely understand the way I think and feel about the Angels, it's Doreen Virtue. I only want to comment on this one Audio book since this review is for "Angel Medicine". Doreen has a very comforting, soothing voice in this CD, that never sounds as though she's reading a script. When you listen to the Audio CD it's as though she is sitting in the room with you speaking to you from her heart. Her love for the Angels, and their ability to heal us, comes through with such emotion, there is never any

doubt that Doreen does truly communicate with the Angels, and it is a Blessing and a Gift that she shares her wisdom and knowledge with us so that we can all obtain the same level of communication, and relationship with the Angels as well. We all have the ability to communicate with the Angels, and to have them in our lives every minute of every day, guiding us, protecting us, healing us, giving us advice, comfort and love. All we have to do is Ask, and let them know that we welcome them, and their Divine Gifts, and show love and gratitude for it. We all have the ability to go within and heal ourselves of any physical or emotional dis-eases, and to let go of all negative feelings, emotions and energies, with the help of the Angels. Doreen Virtue has a very insightful, simple, and easy-to-understand way of explaining how we can all do this, and how beneficial it can be to us on every level.
