Pimsleur Polish Basic Course - Level 1 Lessons 1-10 CD: Learn To Speak And Understand Polish With Pimsleur Language Programs

Synopsis

The Pimsleur® Method: the easiest, fastest way to learn a new language. Completely portable, easily downloadable, and lots of fun. You™ll be speaking and understanding in no time flat! This course includes Lessons 1-10 from the Polish Level 1 Program - 5 hours of audio-only effective language learning with real-life spoken practice sessions. Get a chance to test drive the incredibly effective and efficient, world-famous Pimsleur Level 1 Program. Each lesson provides 30 minutes of spoken language practice, with an introductory conversation, and new vocabulary and structures. Detailed instructions enable you to understand and participate in the conversation. Practice for vocabulary introduced in previous lessons is included in each lesson. The emphasis is on pronunciation and comprehension, and on learning to speak Polish. The Polish Language Polish is the official language of Poland where it is spoken by about 38 million people. It is also spoken by more than 4 million people in Eastern Europe and in North America. There are many dialects of Polish. Pimsleur's Polish teaches Standard Polish, as spoken or understood throughout Poland. Tech Talk - CDs are formatted for playing in all CD players, including car players, and users can copy files for use in iTunes or Windows Media Player.

Customer Reviews

This review is for those looking to learn the Polish language. If you are instead looking to learn specific travel phrases, you should instead buy a simple travel phrase book, such as Lonely Planet's Polish Travel Phrase Book, as Pimsleur will not give you what you want. If, however, you are actually

looking to learn the Polish language, and you are (like I was) someone who knows NOTHING about Polish . . . I can confidently say that there is NO EASIER PLACE TO BEGIN THAN PIMSLEUR. Seriously, if you don't want to read the rest of this lengthy review, just save yourself the trouble and buy Pimsleur. WHY START WITH PIMSLEUR: Don't waste your time buying a Polish language instruction book. You will be introduced to pages upon pages of alphabet rules that will make your head spin (Polish has 9 extra letters to the alphabet, as well as additional strange letter combinations like rz, dzi, etc.). Even if you could trudge through that, the pages that follow contains tons of new vocabulary and complex grammar tables that will make you want to give up. It is way too overwhelming for a beginner. Even "Polish for Dummies" I think is far too advanced for beginners. Unless you enjoy frustration, avoid the Polish courses that use books or textbooks . . . until later on in your learning. What about Rosetta Stone? Well, it starts out by showing a picture of a boy and a girl, along the spoken/written Polish, which is "chłopiec" and "dziewczynka", and let me say it only gets worse from there. Expect in just a few short lessons to see words changing all the time. Even if you can miraculously identify "pies" and "psa" as both being the Polish for "dog", good luck knowing when to use each variation.
