Customer Reviews

What's up with all the bad reviews? This book is epic!!! Okay I admit some don't make sense, but still the book is epic. I recommend this to everyone, even if they don't play Minecraft.

i have read many meme books before but this one was by far the worst. most of them are from other books but the pictures are different or the words are slightly changed. even at 99¢ it's not worth it. some of the memes weren't even minecraft memes. one was of Jesus and another was just a lol face. DO NOT BUY!!!!!!!!!!!!!!!!!!!!!!

y u no have BajanCanadian?!?!?!? He is the real deal!!!!!! I mean come on, he totally kicks butt in

his Minecraft vids!

Some random information in this book should not be read by children under 12 years old. Be on guard all parents!

Google 'Minecraft memes' and you'll get the same thing with better memes dont waste your money here! ggg gg g
