#### Customer Reviews

This has to be my favorite Minecraft diary so far. This is the type of story you can really get into. I buy these for my nephew and I couldn't be happier with this purchase. Not only do I get a good story-line, but important game mechanics are actually a part of the story-line. I don't want to say too much and give away the story. This is an excellent quality book with no marketing garbage or fillers.

This is a really cute little book about the Iron Golems from Minecraft. I've played Minecraft quite a bit

myself and I know a lot about it. There's definitely an eye for detail in this book and it really grabs the attention of my cousin. He's 9 years old and he loves playing Minecraft himself so when he's not playing, he likes to read this book on his off time. It's really nice because he's pretty much learning while he's having fun which is really great!

I just finished reading this book and it is amazing. This is a great book about friendship and adventure. I would recommend this to any minecrafter and any fan of minecraft parodies and books.

This book is awesome. It includes moments off complete chaos, and then parts of Harvey and Felix's relationship as a awesome, grandma saving duo.
