Quest To Kill The Ender Dragon (Minecraft Adventures Book 2)

Synopsis

Part 2 of the Awakening Of The Ender Dragon "Just a few more and it's done," Steve said as he stood on the roof of his new home. He had just enough wooden blocks left to complete the angled roof. He had spent the last week trying to put this place together and make it look nice. Down below on the ground were a few people from the nearby village. Stephanie and Carl had fast become Steve's friends when he found the small town a month ago. "Looks good Steve! Hurry up already so we can go eat, I'm starving to death here!" They all laughed at Carl who was always hungry and never patient when it came to lunch. "There." Steve climbed down from the roof and walked over to his friends. They all admired the house from a distance and Steve felt himself well up with pride. "Now I finally have a home of my own," he says before looking at the others. **CLICK to LOOK INSIDE !** Read about the chronicle of Steve to kill The Ender Dragon and save his friends, the Minecraft World before it's too late | Get this at the Best price while you can Only this week! Steve is just a human and a gamer and has no place in the Overworld. At least that's the way Herobrine sees it. But Herobrine has come to the realization that he cannot defeat Steve by himself.

Steve is just too good. So in Book 1, Herobrine seeks the help of the ancient and powerful Ender Dragon to help him rid the Overworld of Steve. We see the Overworld from Herobrine's point of view. But in Book 2 we see a different side of the Overworld. We step inside the Minecraft world to see the Overworld from Steve's point of view. Steve only wants to live peacefully in his new house and hang out with his friends, Stephanie and Carl and his new companion, Scoundrel the wolf. But Herobrine won't leave Steve and his friends to live in peace. Herobrine has found the most powerful ally to help him destroy Steve. He has awoken the Ender Dragon. Steve is in for a shocking surprise. Steve can't defeat the Ender Dragon using pure strength. The dragon is far too powerful. Perhaps he can outwit him. After all, humans are clever. Follow Steve on this exciting journey and find out if he can defeat the powerful Ender Dragon. Steve is no match for the ancient, powerful Ender Dragon or is he?
