Customer Reviews

These bring us so much pleasure. The audiobooks are better than the written books, because the writer/reader uses consistent, appropriate voices for each character and includes fun songs. We have loved these books for years!

We love the adventures of Hank the Cow dog. Listened to them on cassette tapes when my children were little and we took long trips in the car to go camping. Now we are listening to them when we take our grandson on long trips in the car. Highly recommended. Great packaging to have them as cd's now.

My 5yo grandson and I love Hank the Cowdog on cd. To me, this is one book that is best in audio form because the voices and sound effects add so much to it.
