Tax Smarts For Small Business: Maximize Your Deductions Using The Latest Changes To The Tax Laws

Synopsis

Helping the reader understand how to run a profitable and honest business while minimizing taxes is the goal of Tax Smarts for Small Business. Following its tax-saving strategies can give the small business owner year-round tax-saving opportunities, as well as having all your tax-time questions answered. Accessible by anyone, it provides the reader with the latest IRS rules and answers everyday tax-related questions. It explores the IRS's definition of income and how to lower yours through expense deductions, tax credits and depreciation. It also answers the frequently asked questions surrounding withholding and paying taxes—a trouble area for many small businesses. Its extensive glossary of financial and tax terms makes it an easy-to-understand and essential reference for every small business owner's bookshelf.
