Tallulah's Tap Shoes

Synopsis

It's summer, and Tallulah is excited about going to dance camp. She'll get to take plenty of ballet classes. She'll have to take tap, too, and she's NOT excited about that. She's never taken tap before, so she'll be a beginning beginner. And she's right "tap class is not much fun. Plus there's a girl her same age who's maddeningly good at tap dancing. But that same girl isn't very good at ballet . . . could it be that she and Tallulah have something in common?
