## Customer Reviews

The artwork is spectacular in the Kingstone Bible Comics and they do a great job of telling the stories of the Bible in very small spaces! That's a huge undertaking on a normal scale. To do that with the Bible is amazing!

The graphics are powerful and fit well with the story. The story line for Kingstone Books is consistent with a literalist tradition, This is a graphic version of the tale as it is in the Bible. There really isn't any commentary or analysis in these books. The Bible comics and graphic novels are good for tweens through adults. My husband enjoys the collection quite a bit.
