Born In Fire (Born In Trilogy)

Synopsis

Margaret Mary, the eldest Concannon sister, is a glass artist with an independent streak as fierce as her volatile temper. Hand-blowing glass is a difficult and exacting art, and while she may produce the delicate and the fragile, Maggie is a strong and opinionated woman, a Clare woman, with all the turbulence of that fascinating west country. One man, Dublin gallery owner Rogan Sweeney, has seen the soul in Maggie's art, and vows to help her build a career. When he comes to Maggie's studio, her heart is inflamed by their fierce attraction and her scarred past is slowly healed by love. The attraction that springs up between this unlikely pair is both believable and compelling, thanks to Roberts' skillful character development. The conflicts Maggie and Rogan face are refreshingly realistic and the characters themselves, well-rounded and likable, will keep readers engaged. Publishers Weekly Roberts' style is earthy, realistic and makes for an entirely believable read. The Romance Reader

Customer Reviews

As a reader who most often prefers historical romance, I was skeptical when my bookseller urged me to read Born In Fire, the first of a trilogy set in modern Ireland. I have often said that I can only enter the fantasy world romance offers when the time and place is long ago and far away. Well, I was wrong, at least in terms of the time. But the place, well, Nora's Irish setting, both in Dublin and County Clare, offered me a wonderful fantasy world, and that's due to her phenomenal skill as the creator of characters and story-lines. Born In Fire is the story of Margaret Mary Concannon, a

brilliant and tormented artist whose medium is glass. After the death of her beloved father, she is determined to live her life alone. After all, while she loves her sweet sister Brianna, she had seen no love between her parents, and her mother despises her very being. In walks Rogan Sweeney, wealthy and handsome gallery owner. He wants to make her a star. He sees in her art something he must possess, and he soon comes to see that in her as well. Like the water and hot glass that form her art, Maggie and Rogan are destined to be together, even though it's going to take him some time and finesse to convince her. In a nice change of pace, it is not Rogan who is the tormented soul. No, that distinction belongs to Maggie, and I wouldn't have wanted it any other way. The manner in which the author describes her torment is heart-wrenching. The manner in which the author uses that torment to fuel Maggie's art is beautiful. I had no trouble seeing in my mind's eye the works of art Maggie created, and when Rogan assists Maggie on a particular piece, I felt I was in the room with them.
