Shadow Spell (The Cousins O'Dwyer Trilogy)

Synopsis

From #1 New York Times bestselling author Nora Roberts comes a trilogy about the land we're drawn to, the family we learn to cherish, and the people we long to love. With the legends and lore of Ireland running through his blood, falconer Connor O'Dwyer is proud to call County Mayo home. It's where his sister, Branna, lives and works, where his cousin, Iona, has found true love, and where his childhood friends form a circle that can't be broken. A circle that is about to be stretched out of shape by a long-awaited kiss. Meara Quinn is Branna's best friend, a sister in all but blood. Her and Connor's paths cross almost daily, as Connor takes tourists on hawk walks and Meara guides them on horseback across the lush countryside. She has the eyes of a gypsy and the body of a goddess—things Connor has always taken for granted—until his brush with death propels them into a quick, hot tangle. Plenty of women have found their way to Connor's bed, but none to his heart until now. Frustratingly, Meara is okay with just the heat, afraid to lose herself and their friendship to something more. But soon, Connor will see the full force and fury of what runs in his blood. And he will need his family and friends around him when his past rolls in like the fog, threatening an end to all he loves.

Customer Reviews

Shadow Spell, the follow up to Dark Witch continues the story of the cousins O'Dwyer as the "three", Branna, Connor and Iona strengthen the bonds with their friends, Meara, Boyle and Fin who carries the blood of the evil sorcerer they seek to kill... Cabhan. Cabhan's powers are strong and his

goal is to weaken the circle of friends with repeated attempts to kill Meara, especially now since Connor has declared his love for her after a lifetime of friendship. This book focuses on the growing romance between Connor and Meara and the desperate measures they have to take to ensure Meara's safety as Cabhan is determined that she is the best way to weaken the power they use against him. But the friendship between the six and their fierce determination to kill him once and for all grows even stronger as each of them realize that it will take all their individual strengths... of the heart, mind and body, to defeat the sorcerer before he can destroy all they hold dear. Initially we are taken back in time to once again see how the children of the Dark Witch Sorcha are faring after her death, and this is particularly important since Connor finds a way to reach through the centuries and meet up with Sorcha's son Eamon thereby sharing important information and strengthening their bonds of family. Having Eamon and Connor able to meet and converse added an extra element to the story and helped to tie it all together. The six friends meet regularly to enjoy each others company, make plans and give each other strength for the coming battle and I found these times when the six are all together very satisfying as we get a deeper look at each character and how they fit into this circle of friendship and family.
