Customer Reviews

I buy one of these every year. They are consistent in quality from year to year, this one included. I carry it in my purse every day and I've never had so much as a loose page or a scuffed cover. Worth the money for sure!

Practical calendar/planner. Like the elastic to hold it shut, the ribbon to mark the page and the pocket in the back. I use the pocket for appointment cards -- works great. Plus, price here was so reasonable I couldn't believe it.

I buy this every year- wish I could find in fun colours....but this is a rare format that works for me. I decorate it with washi tape for a bit of fun and to find it easily in my purse. It's always with me and much faster than electronic entries into diary.

Not an academic planner.
