Transfer Pricing Handbook: Guidance For The OECD Regulations

Synopsis

Learn OECD guidance on business taxation in multiple countries A business that is not aware of all of its exposure to the tax policy of each country in which it does business may find itself paying more in taxes than the share of profit it generates. The Organisation for Economic Co-operation and Development (OECD) seeks to reduce the risk of business taxation in multiple countries. Transfer Pricing Handbook explores how countries can apply the OECD Guidelines to tax businesses that conduct their endeavors in more than one country. It is the ultimate comprehensive guide for companies doing business globally. Helps companies properly price their goods and services for global markets Provides defenses for transfer pricing audits Provides standards for creating comparables that multijurisdictional tax administrations will accept Guides documentation requirements and timing issues If you're doing business in more than one country, Transfer Pricing Handbook is a must-have, essential guide for simplifying OECD regulations for your global company.
