Synopsis

The world will end on Saturday. Next Saturday. Just before dinner, according to *The Nice and Accurate Prophecies of Agnes Nutter, Witch*, the world's only completely accurate book of prophecies written in 1655. The armies of Good and Evil are amassing and everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist.

Bad news. The Apocalypse is coming. Soon. Luckily, Heaven and Hell have left the business with the Anti-Christ in the hands of Crowley and Aziraphale, demon and angel respectively. Now they have misplaced the Anti-Christ and pretty much decided they really like humanity a lot more than their either of their bosses. In the first edition, the full title of this book was "The Nice & Accurate Prophecies of Agnes Nutter, Witch." "Nice," in this context, meaning precisely correct. Agnes saw it all coming, from her being burned alive as a witch to the air force base where Armageddon will begin ("Peas is our professiune."). Agnes, her descendant, Anathema, the Four Horseman - Horsepersons - and the Other Four Horseman (a different chapter of Hell's Angels); it all comes together with the serried ranks of angels and demons gathered overhead. Yes, this is an hysterically funny book. A satire and a parody, it lampoons everything in sight. From Elvis sightings to televangelists to the destruction of all intelligent life ("nothing left but dust and fundamentalists."), little escapes the scathing wit of Gaiman and Pratchett. Of course the demon, Crowley, drives a

1926 Bentley. Of course any tape left in its glove box for more than two weeks turns into something by Queen. Of course the flaming sword used by War is delivered to her by International Express. And what happens to the telephone solicitor, Lisa Morrow? Come on now, you secretly thought all telephone solicitors deserved it, right? In the tradition of Jonathan Swift and Mark Twain, the satire makes a point. That point may be unpalatable to the religiously inflexible, or to those whose sense of righteousness hampers their sense of humor.
